

## Able, Gifted & Talented Workshop

On Monday 20th March we hosted an able, gifted and talented workshop here at Stalmine School. Pupils from nearby schools took part in a challenges set by Mrs Foster. The children were able to show the rest of their class one of the challenges they took part in.

### Making ice-cream, without a freezer!

The children who took part were able to show the rest of their class how it was made.

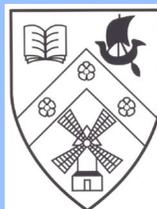

### Class 3 having fun at their pyjama party.

Miss Hayhurst held the party complete with films and popcorn as a treat for the children's consistent good behaviour.

Well done everyone!
